Letters to Jesus Christ

Testimonies and Prayers

Handwritten in 2012 – Offered freely to the remnant

My Testimony in the name of Jesus Christ. Praise the Lord Jesus. Amen.

Decemeber 7th was the day of my Marriage to my loved one. It was offcourse which was against my Parents. I was very much worried. I was happy one side that I was going to marry my loved one, I felt I will be the happiest person in the world. Yes I was the happiest person in the name of Jesus christ. But at that time I was worshipping idols. My husband was converted Christain. I liked worshipping idols. After my marriage my husband said this Marriage happened only because of Lord Jesus, but I said and same one of the idol, it so happened. We had an argument. Then he was with me only for 12 days Dec 19th he went back to qatar where he was working. Before that my husband spoke to my parents but my father cursed us that how you will both live. and I got tears in my eyes. Then my husband left qatar I was in my motherinlaws Place. There I worshipped idols. My life was going there

After ten days I applied for my passport but first time it was rejected. Second time it got cleared, at that time by the grace of god Jesus I met my parents and cried, it was all clear & solved. This all was only because of Jesus. I thought this was only because of Idols & I prayed I used to go to temples. I kept my passport infront of the Idols and cried a lot, Soon I should be with my husband. After 7 months my husband came back. at that time my sisters engagement were fixed. This was also only by the grace of Jesus, but at that time I thought it was only because of Idols I prayed. Me and my husband were happy and again he was back to his job. My life was going on 15 days in my mothers place and 15 days in my mother in laws place. Then by the grace of Lord Jesus Christ I got my visa I reached safely to Qatar. Me and my husband lived happily. He used to pray Jesus daily night. I am not. I used to pray Idols every
